

CAPABILITY STATEMENT

Comprehensive and Targeted Approaches to Quality Healthcare Products and Technology-Based Solutions.

COMPANY OVERVIEW

KD Healthcare Solutions, LLC is a registered nurse-operated medical supply provider/supplier, authorized distributor/manufacturer partner of medical equipment, soft/disposable products & healthcare technology solutions. We serve public and private healthcare providers/entities, and Medicare/Medicaid/Commercial insurance beneficiaries. President & Owner, Karen S. Dunson, BSN, RN, has 30+ years' experience in nursing & 15+ in government contracting.

CORE CAPABILITIES

- Advanced Wound Care Supplies and Pump Systems
- Diagnostic & Patient Monitoring Equipment & Supplies
- Durable Medical Equipment & Soft Medical Supplies
- Health-Safety & Medical Training Equipment & Supplies
- Medical-Surgical Supplies & Equipment
- Medical Facilities Furnishment
- Medical-Laboratory Equipment & Supplies
- Personal Protective Equipment (PPE) & Supplies

DIFFERENTIATORS

- A nimble medical product provider/vendor offering an arsenal of wound care solutions, supportive nutritional, and support surface products, along with value-added health technology solutions for chronic care management, transitional or long-term care and wounded warrior care management.
- We also offer nurse advocacy aimed to holistically fill gaps in our clients/patients' healthcare continuum, while improving our partner customers' healthcare outcomes.
